Hi,

This mail has already been received by almost 1500 persons. Some reacted strongly, I was hacked, couldn't send anymore, reason why I filed a new complement to an IC3 complaint I have (PDF4) in which I evoke MH370 as a scenario done to target Bill Gates, Ginni Rometty and Jim McNerney. Here was my text :

Hi,

Days go on, nobody trust what we are told. I am french and I worked long ago in Microsoft France. This had a huge importance for the years after, led me to an understanding of MH370 which is for sure shared, for I sent so many mails on the subject without receiving a single opposition, even from the White House, the FBI or the CIA.

My understanding is that two false flags were to be done in a deception scenario. The ones targeted are known, their lifes would have been much than severely damaged. Bill Gates, Ginni Rometty and Jim McNerney were targeted. They all know Sarah Bajc, Philip Wood's partner who seduced him by deception, chosen precisely because she seduced Bill Gates in the past. Deception after deception, America is targeted by its terrific zionist lobby (scales & scales a pdf). Bajc is a zionist agent, and if Philip Wood hadn't sent his message on archive4 on the 18th of March, nuclear attacks would have been done on Marseille and Manhattan.

As proofs, I join you PDF of mails I wrote, exposing how I was used to harass Bill Gates since 1997, October the 28th. I even send you the only explanation I can find to such a monstrous plan, which is reincarnation. I know it provokes numbers of reactions. The point is it explains the complicity Rothschild mafia did benefit. It goes back to Salem. Strange, I know but very logical when we observe Giles Corey's death. It is the pattern which was used in MH370's plan : a public social death which would have been long and cruel.

I wish not to disturb. If I do so, I apologize,

Best regards,

Nicole Guihaumé
